How V5 Ultimate is sold

Most subscriptions, including all regulated deployments, are sold directly by the contracting entity named in the signed agreement and invoiced by us. Some smaller online purchases are sold by our reseller and Merchant of Record, [Paddle.com](https://paddle.com), which is responsible for those sales transactions, invoicing, tax compliance, and refunds. Your receipt or agreement shows which applies.

Online dispute resolution (EU)

The European Commission provides an online dispute resolution (ODR) platform at ec.europa.eu/consumers/odr. We are not obliged and not willing to participate in dispute resolution proceedings before a consumer arbitration board.
